

OMEGA CUP SERIES EVENT INFO

Go Big or Go Home!

iRacing AND eRACING ASSOCIATION EVENTS

The eRacing Association (ERA) is an esports league hosting competition race events via <https://www.iracing.com/> ("iRacing"). You must have a valid iRacing ID/user account in order to participate in eRacing Association events.

The eRacing Association is the sanctioning body and league meant for all simulation & real world racers, offering tournaments, premium league matchups, a community of other eSports racing news, and an online store offering a one-stop shop for products related to eSports. For more information regarding the eRacing Association, please visit <https://www.eragaming.gg/>.

By participating in any eRacing Association event, you accept and agree to be bound by iRacing's Official Contest Rules ("Rules"), incorporated herein, and the decisions of the eRacing Association, which shall be final and binding. The eRacing Association reserves the right to suspend or cancel any event for any reason and at any time. In addition, the eRacing Association reserves the right to suspend or terminate any contestant's participation in any eRacing Association event, or otherwise penalize any contestant (including without limitation by deducting points and/or laps), if the eRacing Association, in its sole discretion determines, that the individual's participation in the event is in any way detrimental to the event, the league, or other participants in the event or members, including, without limitation, due to an individual's unsportsmanlike conduct, cheating, or use of obscene or offensive language.

ELIGIBILITY

You must be at least 13 years old in order to participate in any eRacing Association event. Additionally, if you are under 18 or the age of majority where you live, you must have permission from your parent or legal guardian to participate, and their assistance will also be needed when attempting to claim any prize.

By participating in any eRacing Association event, you agree (or, if under 18 years of age or the age of majority as defined in your country of residence, your parent or legal guardian must agree on your behalf) to abide by the Rules, the terms and conditions relating to the event (including, but not limited to, as set forth herein), and any other terms regarding your participation in the event at all times.

Anyone participating in an event who does not meet the age requirements mentioned above will be disqualified from that event. In the event of disqualification, any prize or points associated with that event and all previous ones you may have been awarded will be forfeited.

Memberships

We have implanted a membership program with many perks for being a member of ERA. As for our racing events, there will be a "Free Non-Members" registration for those who do not choose to be ERA members and their race will be separate from the ERA members race. Non-Members will not compete in practice, qualifying, heat races, or the Main event with Monthly/Annual ERA Members. There will be two separate practices, two separate qualifying, two separate heat races, and 2 separate Main events. Only the ERA Members races will be broadcasted.

THE OMEGA CUP

Welcome to our premier series in the eRacing Association, the Omega Cup. This will be a tournament style event utilizing Class A Cup Cars at various. The events through the year will be user vs. user Short Track, Speedway, Super Speedway, and Road Course racing where all racers battle it out on track for prizes and their name immortalized in the league! All of the online trash talking and bashing ends here; the Omega Cup is where you can take your place as one of the most feared racers in the sim-racing world. Reputations will be tested, egos will be burned, friendships will be made, and rivalries will begin! Who will be crowned the next winner in the Omega Cup?

-Heat Races (25 lap Short-Track, 25 lap Intermediate track, 20 lap Super Speedway, 10 lap Road Course; Top 50 finishers make it to Tuesday)

Day 2:

-Practice

-Qualifying (Top 40 make the race)

-Race

Practice:

Both Day 1 and Day 2 practices will be 1 hour in length each. After these practices' drivers will head to qualifying.

Qualifying:

Both Day 1 and Day 2 qualifying sessions will be 2-lap qualifiers. After Day 1 qualifying, the all drivers will be sent to their respective Heat Races. After Day 2 qualifying, the Top 40 drivers will be awarded a spot in the Main event. After the Day 1/Day 2 practices drivers will head to qualifying.

Heat races:

On Day 1 after the qualifying session, drivers will be put in their respective heats. There will be up to 40 drivers in each of the heats. The Top 50 finishers make it to Day 2. Top 50 will be determined by the Top 50 finishers in the heat races.

Main Event Race day Schedule:

6pm 1-hour practice session goes live. All drivers must register into the session between 6 and 7pm

7:05pm 3-minute 2 Lap Single car qualifying session. Top 40 drivers make the race. This will set the starting grid.

Main Feature Race will be 150 laps for all Short-Tracks, 100 laps for Intermediate tracks, 60 laps for Super Speedways, and 40 laps for Road Courses all with manual cautions and 1 reset. There will be only 3 attempts at a Green/White/Checker finish

Remember, this is a streamed race. Let's give the fans the thrill of seeing you all competing on the track during this time. No one wants to see 100 laps of caution. Please keep that in mind when you are racing. With that said, the main event will have manual cautions so it will be on the race administrator as to whether he pulls the caution or lets it go green.

Omega Cup Prize format:

****CHECK WWW.ERAGAMING.GG****

Prizes will only be awarded if an event is completed. eRacing Association reserves the right to cancel events at any time. For more information regarding your eligibility and/or ability to claim prizes, please review ERA's and iRacing's Rules.

eRacing Association Rules

In addition to the iRacing Rules, all eRacing Association shall be subject to the following rules administered by the eRacing Association:

Black/yellow flags – race director controls all flags. If you receive a black flag you must serve it, they will not be cleared unless race director deems there has been a mistake on the part of iRacing or eRacing Race Director.

Incident points –

-Drivers who hit 16x will be DQ'd.

Removal from league –

-If a driver intentionally wrecks themselves or another driver

-If a driver uses obscene language toward another driver with malicious intent in chat or by voice

-If a driver chooses to ignore any rules or directions by race director during race

1) Starts/Restarts

The leader controls all initial starts and restarts during the race.

Leader will start on inside for all starts/restarts.

2) Yellow Line Rule (super-speedway's only)

There is no passing below the yellow line at super speedways at any time for any reason. If a position is gained below the yellow line you must yield that position back to the person that is passed. If position is not yielded you will be black flagged and given a pass through penalty. If infraction is on the final lap coming to the line you will be given an eol as your finishing position.

3) Accident Avoidance

In the event a wreck happens around you, do not accelerate in an attempt to drive through it for any reason. Get on the brakes and let the accident happen and after the cars involved are clear you will be permitted to safely continue driving. If you are caught violating this rule and you cause additional collisions, you will be black-flagged and have to serve a pass-through penalty.

4) Pit Road

All drivers are required to stay to the right side of pit lane (left on some road courses). If you are caught driving through more than 4 pit boxes you will be black flagged and held for 30 seconds. Drivers cannot enter their pit box any more than 2 stalls early. If you are caught violating this rule you will be black-flagged and held for 30 seconds.

5) Radio

Radio is to remain clear during the race. There is no calling out other drivers. If an admin tells you to keep the radio clear, adhere to that. If radio comes continue after a warning is issued the offending driver will be removed from the race no questions asked. Multiple violations of this rule will result in further action up to and including removal from the league.

6) Retaliation

The admin committee will review all wrecks after the race. If a wreck is determined to be malicious and/or deliberate it could result in removal from the league.

7) Race Etiquette

Cars are required to stay on the racing surface at all times. There is to be no elongated drifting, donuts, or any other actions deemed to be unprofessional during the course of the race. Violations of this rule will result in a black flag. Multiple infractions will result in removal from the league.

8) Post-Race Etiquette

Only the winner is permitted back to the start finish line on a cool-down lap unless an admin tells you otherwise. All other cars must return to pit road the next time by or park and tow in a safe manner off of the racing surface.

There is no contact deliberate or not after the race. Do not engage in any contact with another driver. Contact with another driver after checkers is out will result in a one-race suspension. Multiple infractions of this rule will result in further action up to and including removal from the league.

9) Social Media Etiquette

Drivers are not to post negative comments on social media regarding the league or other drivers. If you have a dispute please bring it to our attention via Facebook or Instagram dm. Violations of this will result in action up to and including removal from the league.

Have fun and respect your fellow drivers.

** League rules are subject to change at admins discretion at any point during the season if deemed necessary. It is the responsibility of all league members to check for rule changes each time they register for an event as ignorance to rule changes is not an excuse for not abiding by them.
